

Südfrankreich die Zweite

Zu den Spätblühern an die Côte d'Azur

17. bis 23. April 2015

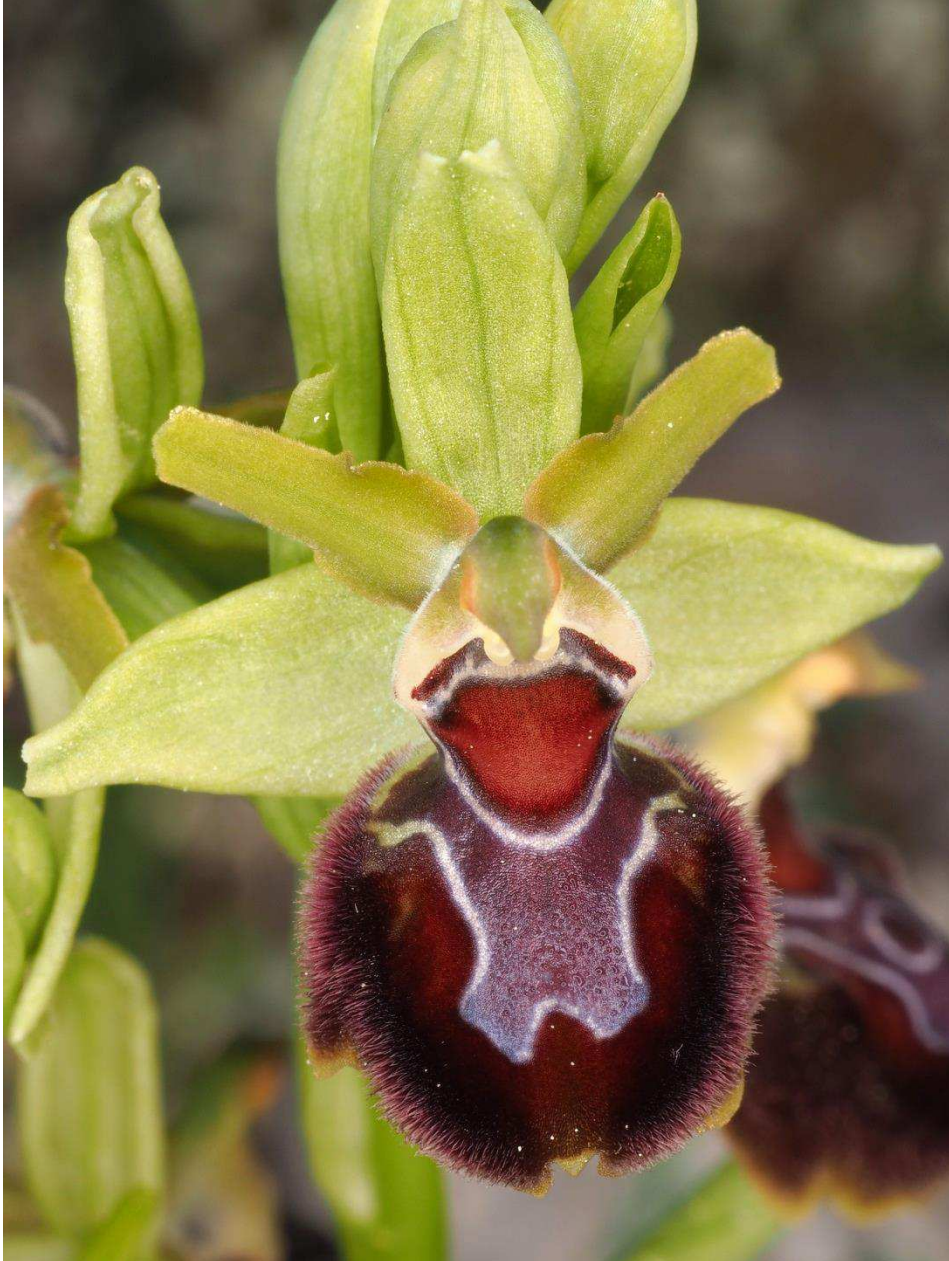

BILDТАFELN Teil 1

Ophrys sphegodes subsp. *provincialis*

Ophrys sphegodes subsp. *provincialis*

Ophrys sphegodes subsp. *provincialis*

Ophrys speculum subsp. *speculum*

Ophrys holoserica subsp. *pseudoscolopax*

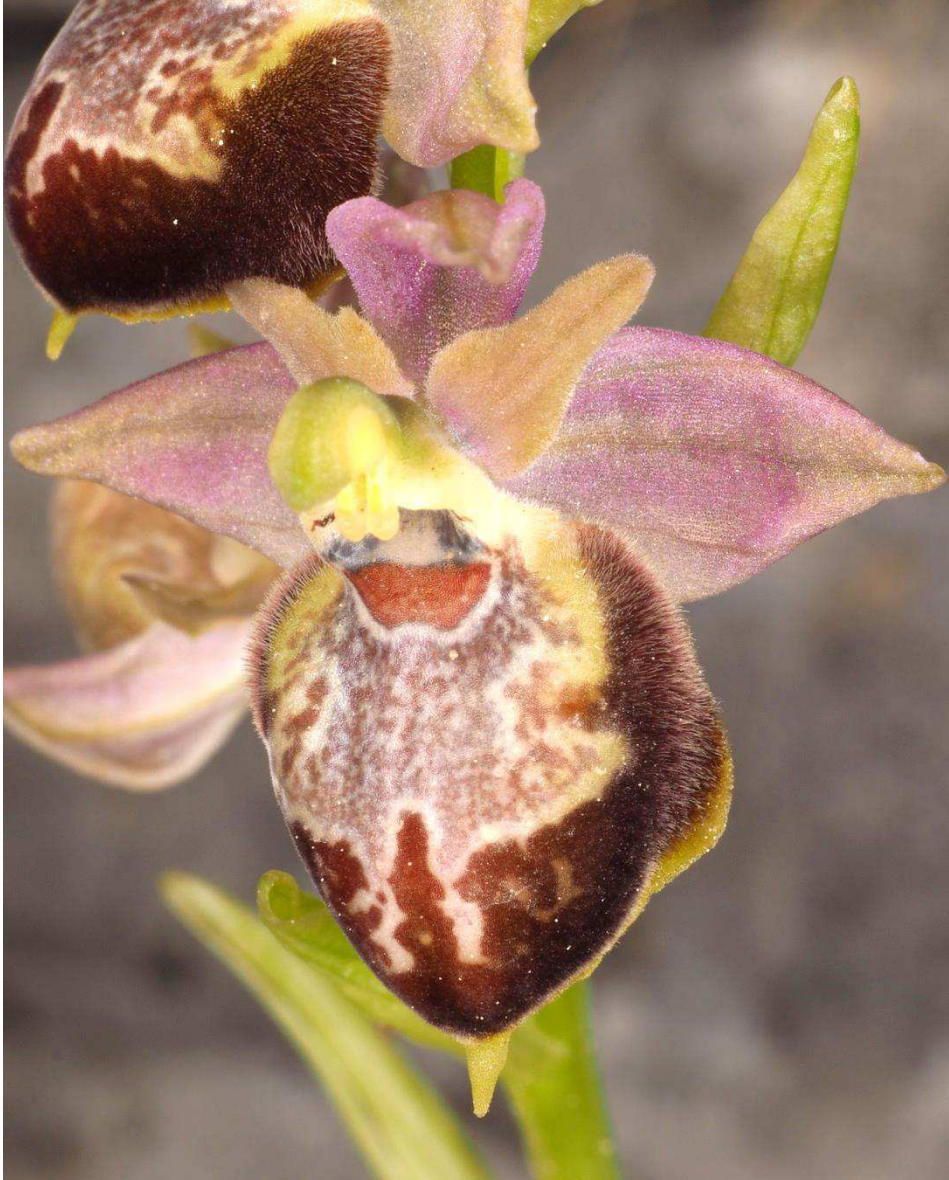

Ophrys holoserica subsp. *pseudoscolopax*

Ophrys holoserica subsp. *pseudoscolopax*

Ophrys holoserica subsp. *pseudoscolopax* *lusus flavescens*

Ophrys holoserica s. *pseudoscolopax* x *Ophrys sphegodes* s. *provincialis*

Ophrys holoserica s. *pseudoscolopax* x *Ophrys sphegodes* s. *provincialis*

Ophrys lutea subsp. *lutea* lusus *flavescens*

Ophrys fusca subsp. *funerea* "delforgei" *lusus flavescens*

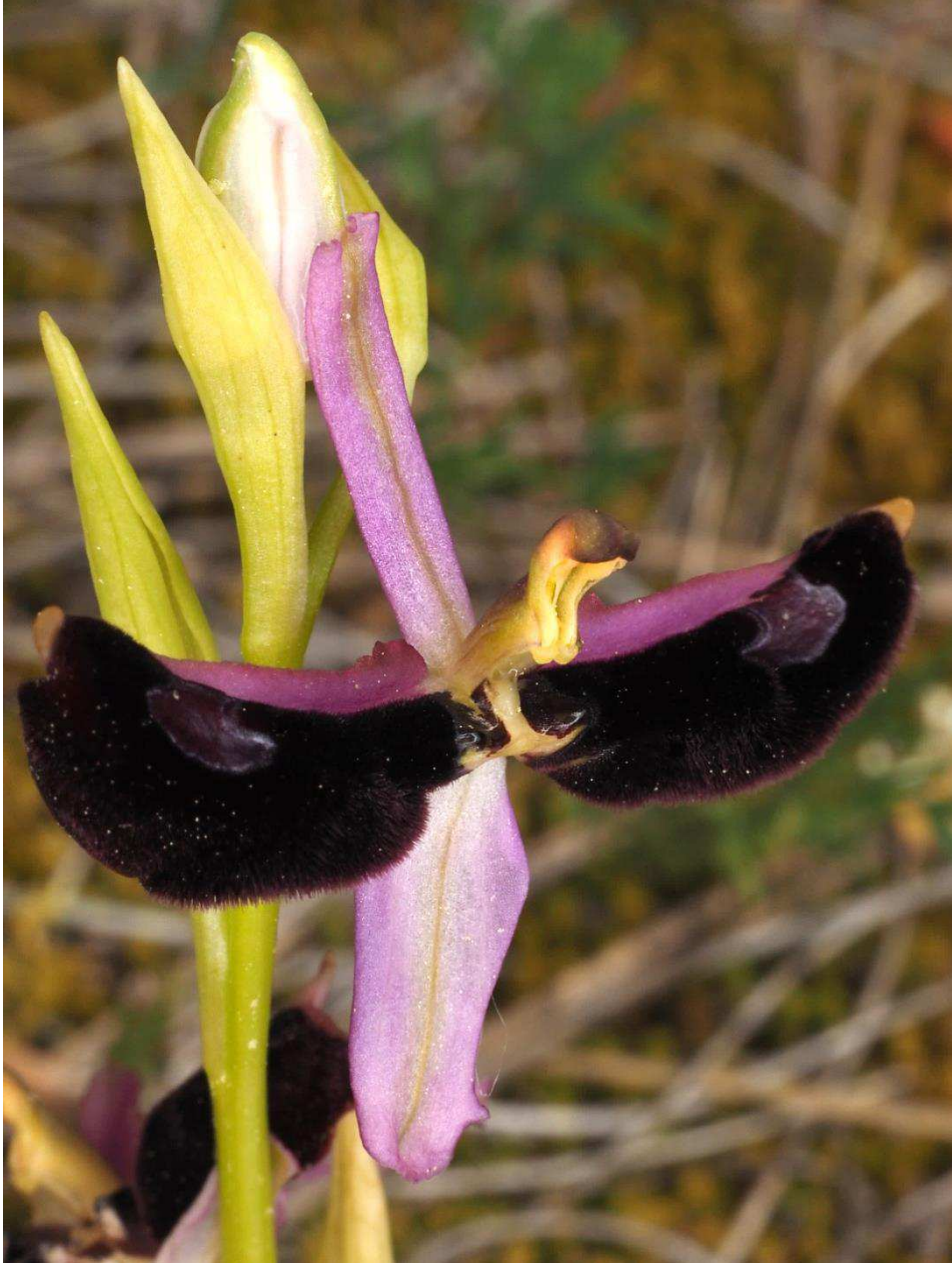

Ophrys fusca subsp. *funerea* "delforgei" x *Ophrys fusca* subsp. *fusca* "forestieri"

Ophrys bertolonii subsp. *benacensis* "aurelia"

Ophrys bertolonii subsp. *benacensis* "aurelia"

Ophrys bertolonii subsp. *benacensis* "aurelia"

Orchis morio subsp. *picta*

Orchis morio subsp. *champagneuxii*

Orchis morio subsp. *champagneuxii*

Orchis morio subsp. *picta*

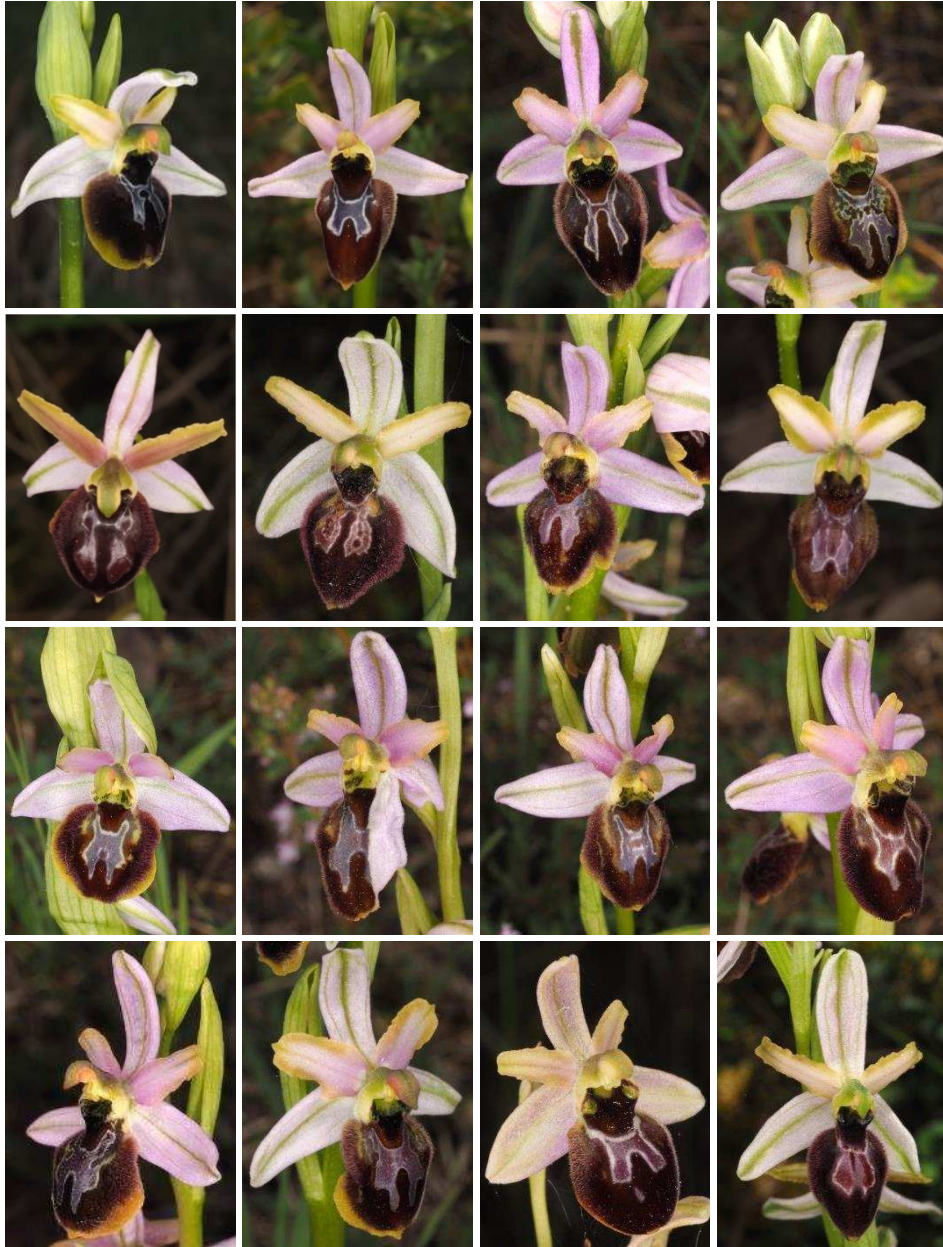

Ophrys fusca subsp. *fusca* "arnoldii"?

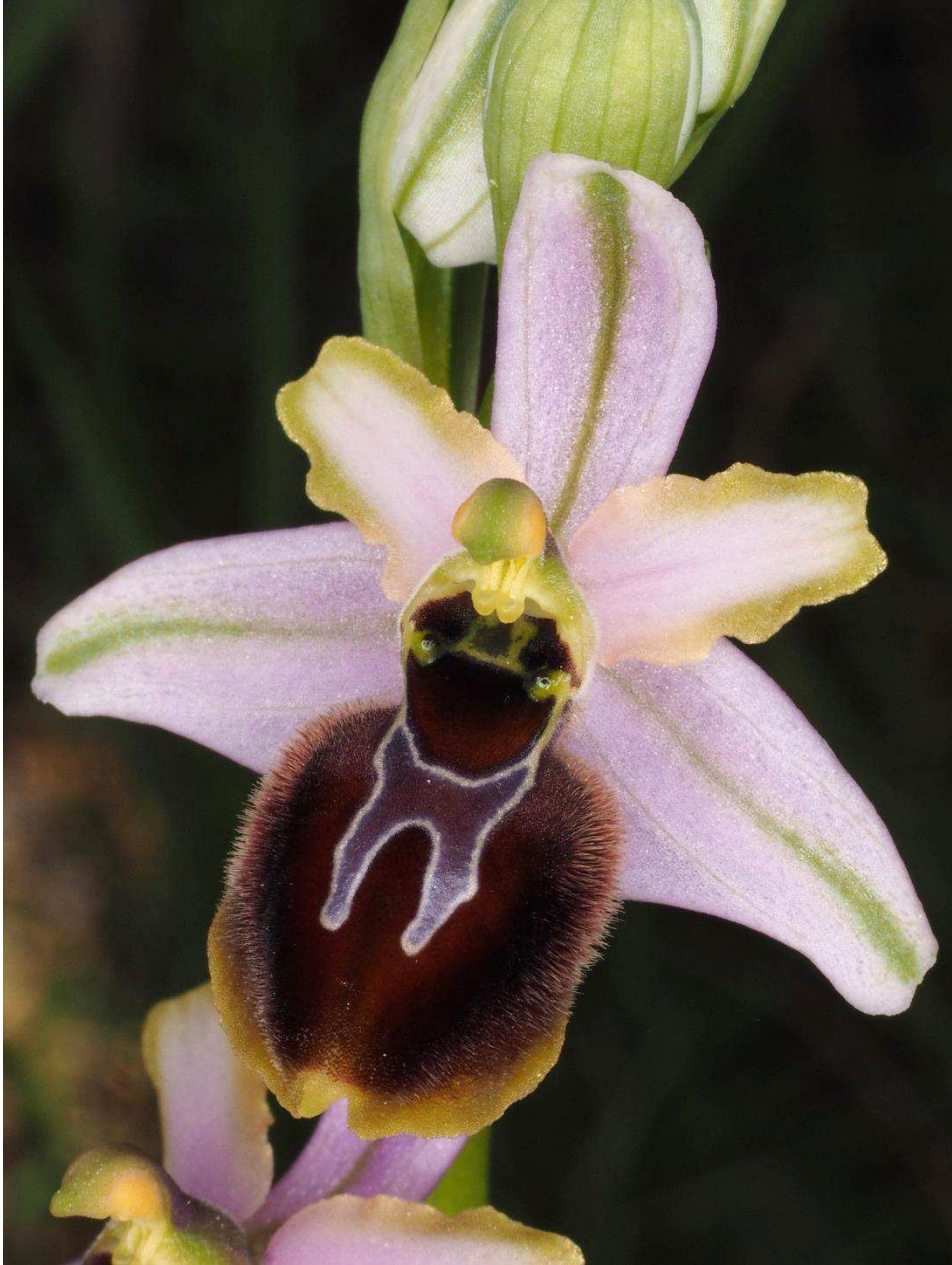

Ophrys sphegodes subsp. *virescens*

Ophrys sphegodes subsp. *virescens*

Ophrys arachnitiformis subsp. *splendida*

Ophrys arachnitiformis subsp. *splendida*
