

FARBTAFELN

Brachycorythis tenuior im Vernon Crookes NR

Disa polygonoides

Disa polygonoides

Eulophia purpurascens (*Eulophia hians* subsp. *nutans* var. *bacccharia*)

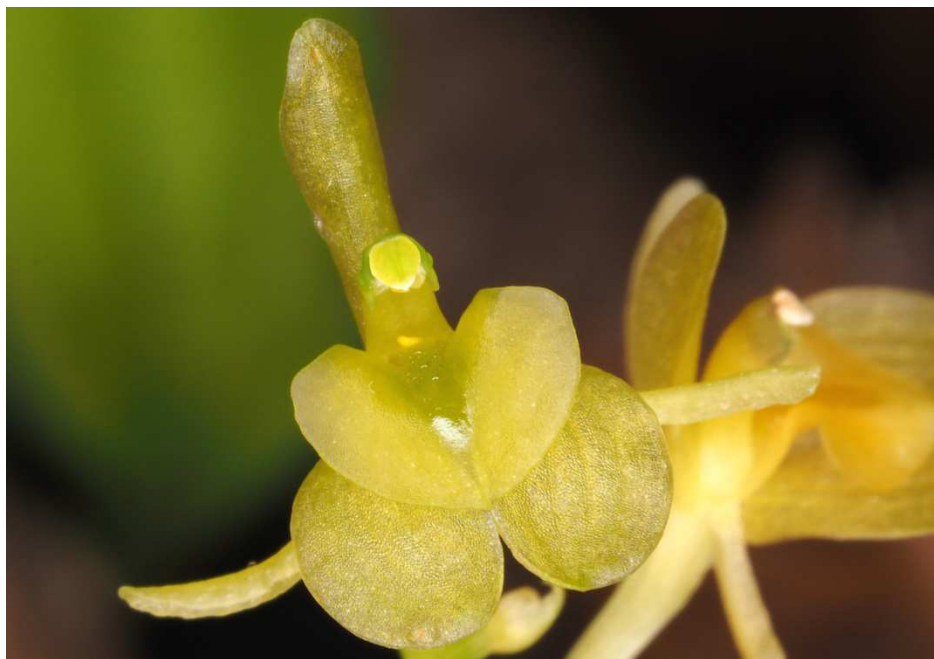

Habenaria pseudociliosa und *Habenaria dives*

Eulophia horsfallii

Eulophia horsfallii

Liparis remota

Stenoglottis maccloughlinii (*Eulophia woodii*)

Rangaeris muscicola

Tridactyle bicaudata subsp. *rupestris*

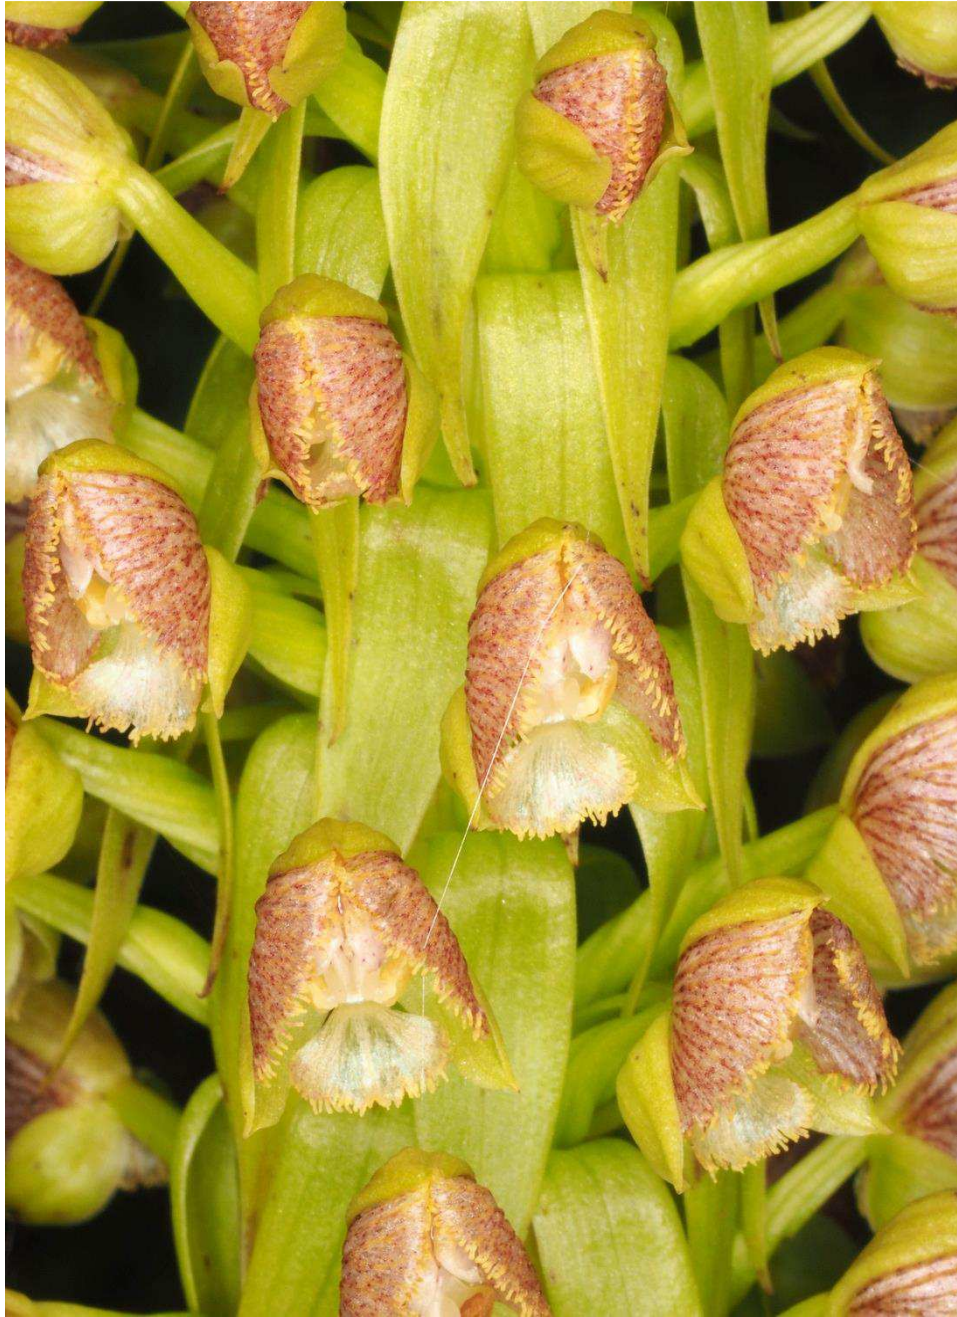

Eulophia parvilabris

Disa versicolor und *Corycium magnum*

Disa versicolor

Corycium magnum

Pterygodium leucanthum

Disa fragrans

Disa fragrans

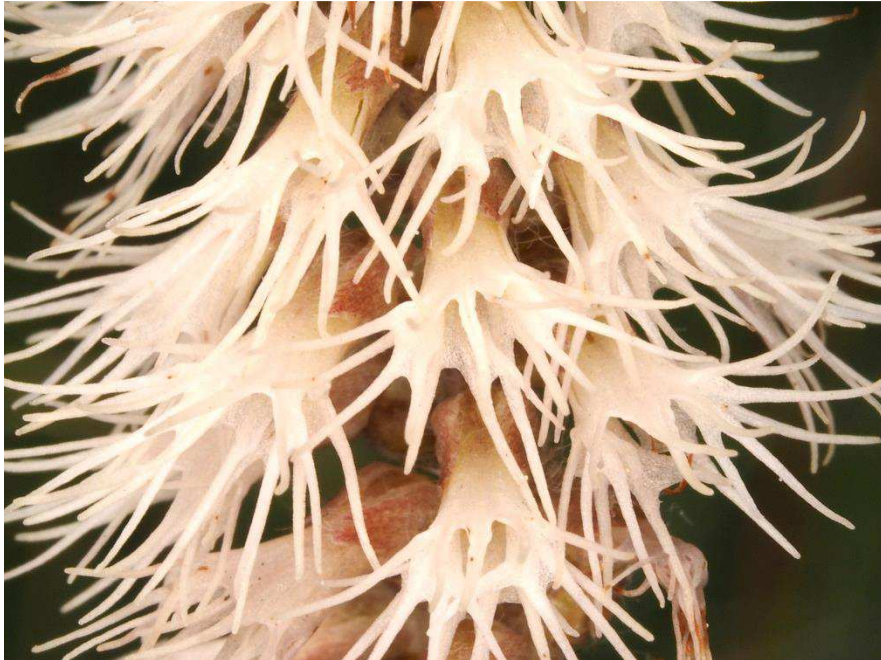

Corycium nigrescens / *dracomontanum*

Disa oreophila subsp. *erecta*

Holothrix scrophularia

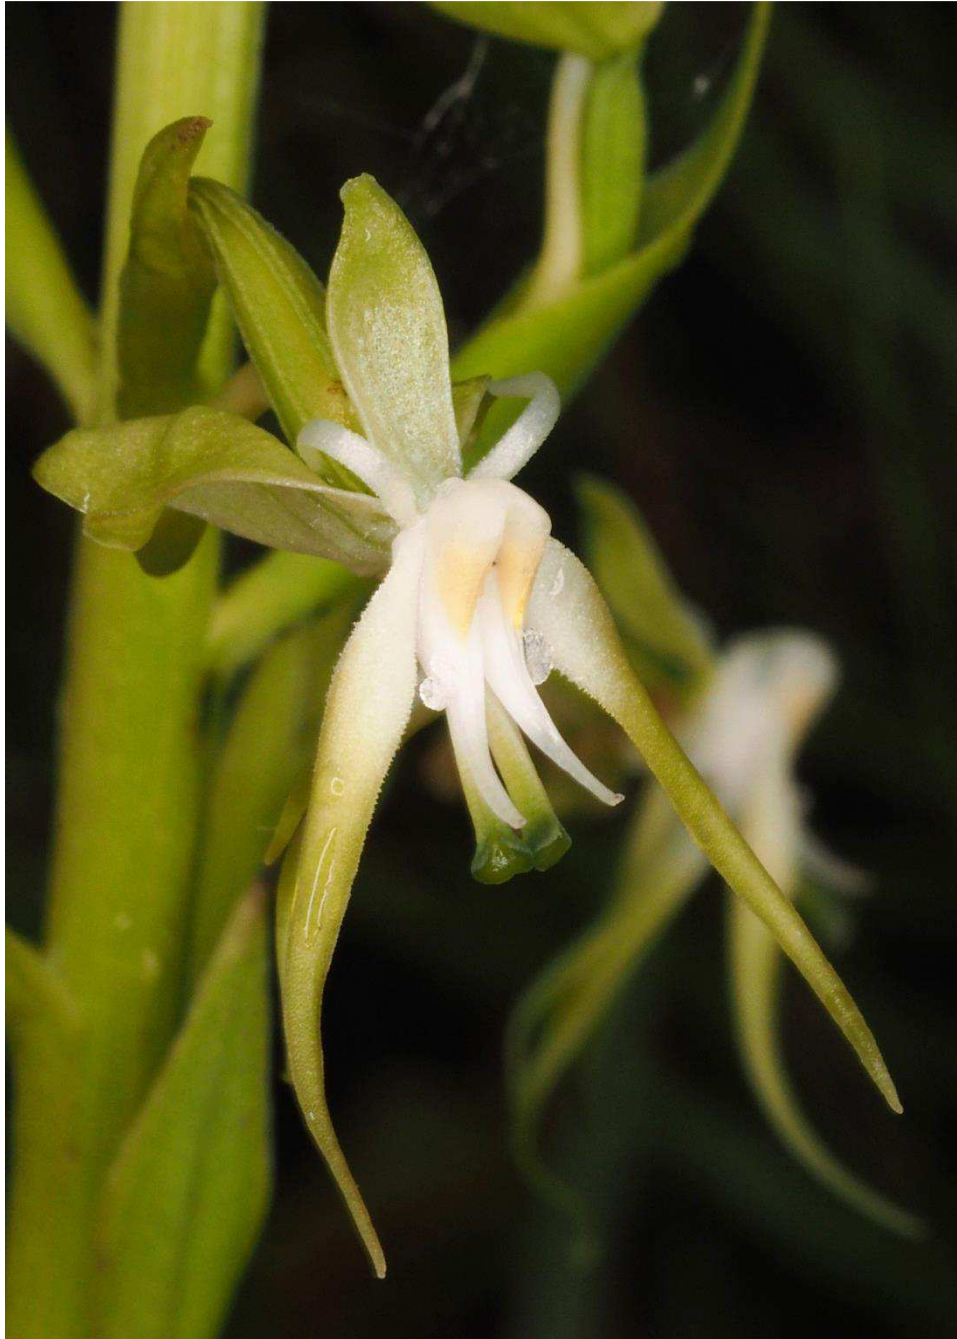

Holothrix scrophularia und *Disa cephalothes* subsp. *cephalothes*

Disa thodei

Disa thodei

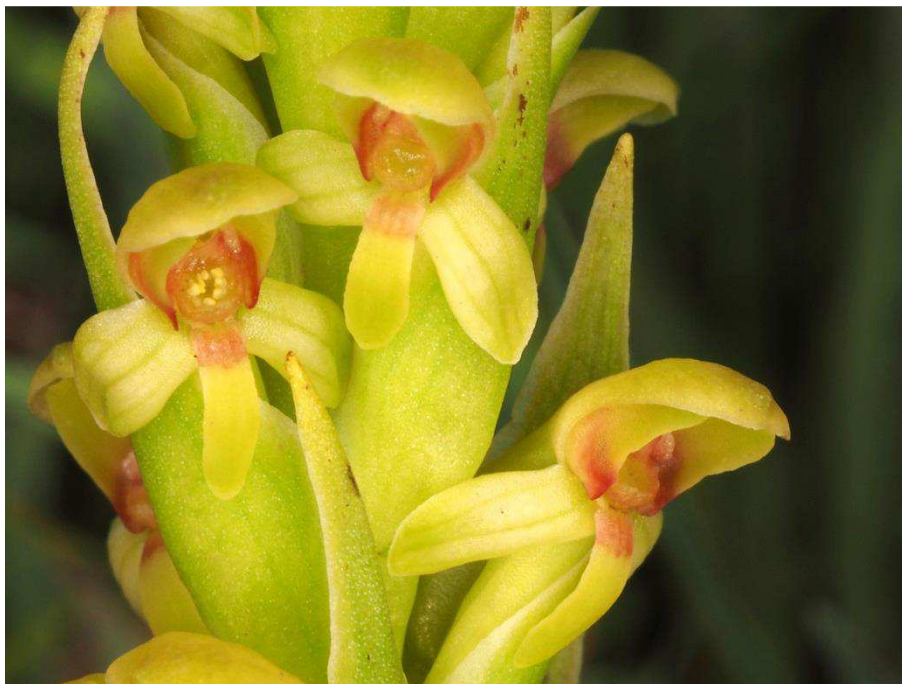

Habenaria schimperiana

Disperis cardiophora

Disa brevicornis

Disa brevicornis

Habenaria falcicornis subsp. *falcicornis*

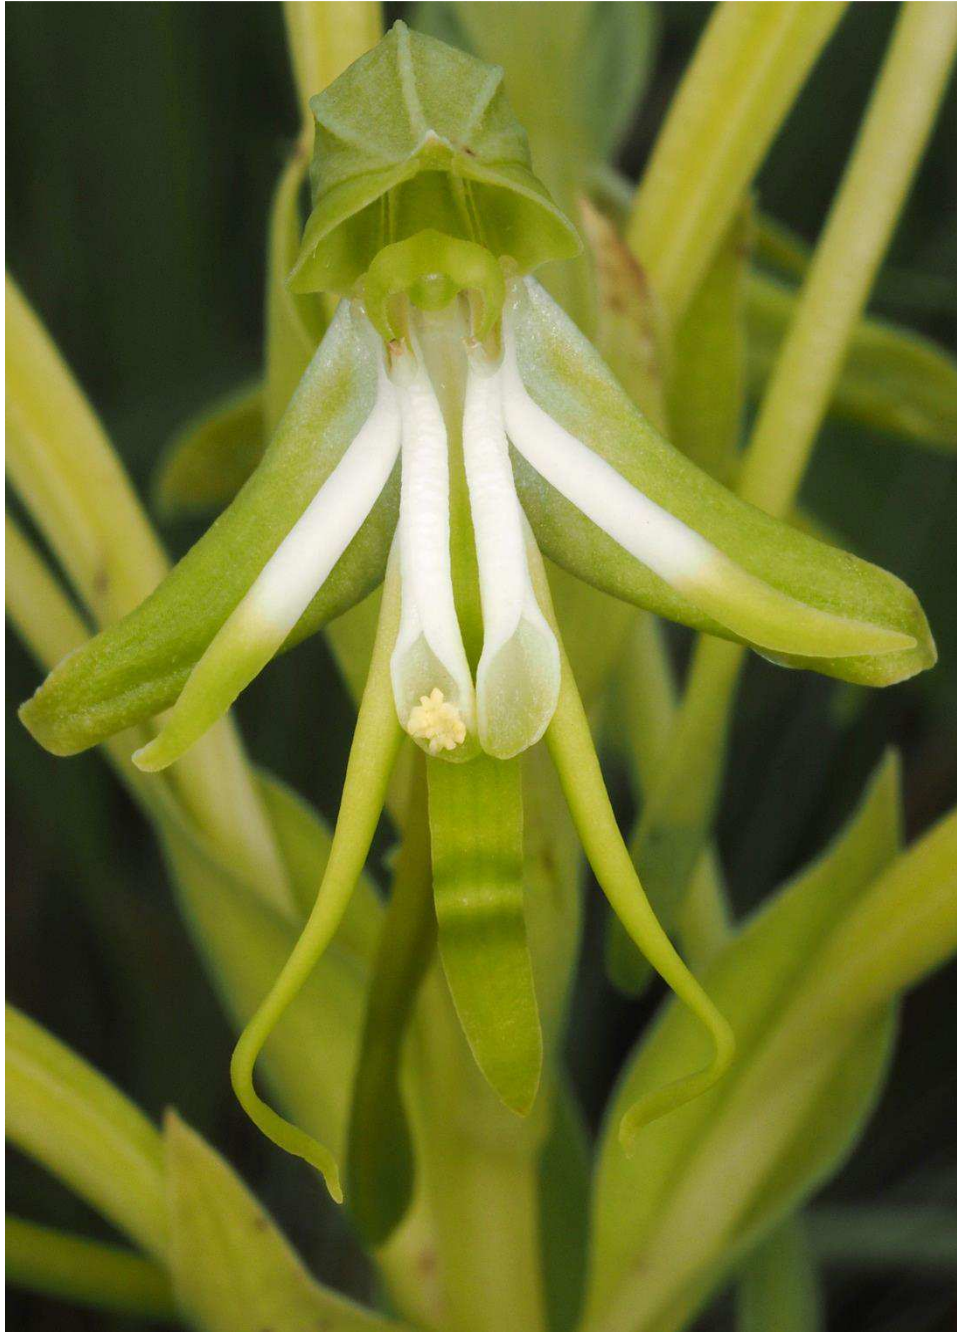

Habenaria falcicornis subsp. *falcicornis*

Disa aconitoides und *Eulophia ovalis* var. *ovalis*

Bonatea boltonii

Bonatea boltonii

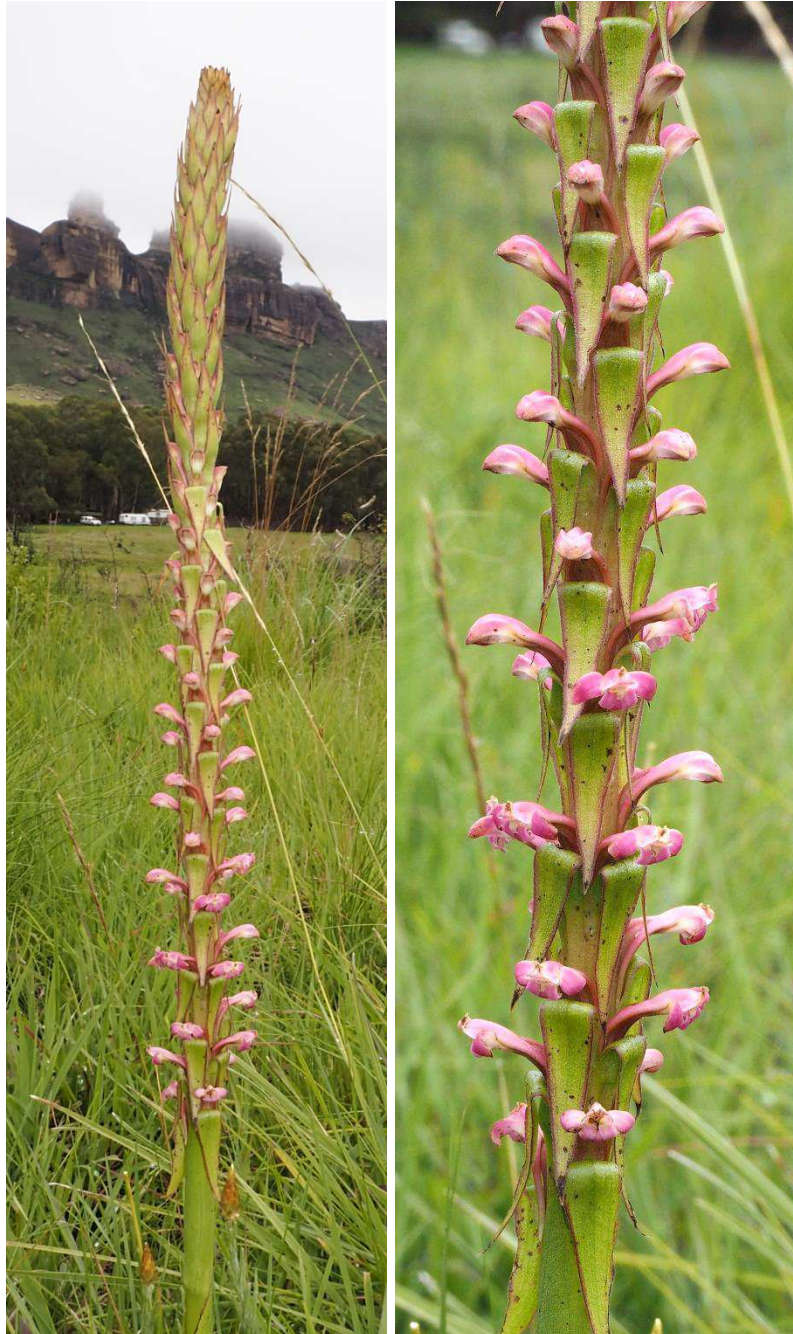

Corycium nigrescens / *dracomontanum*

Eulophia hians var. *nutans* und *Habenaria lithophylla*

Corycium cf. *alticola*

Satyrium neglectum subsp. *neglectum*

Satyrium neglectum subsp. *neglectum* und Hybride mit *Satyrium longicauda*

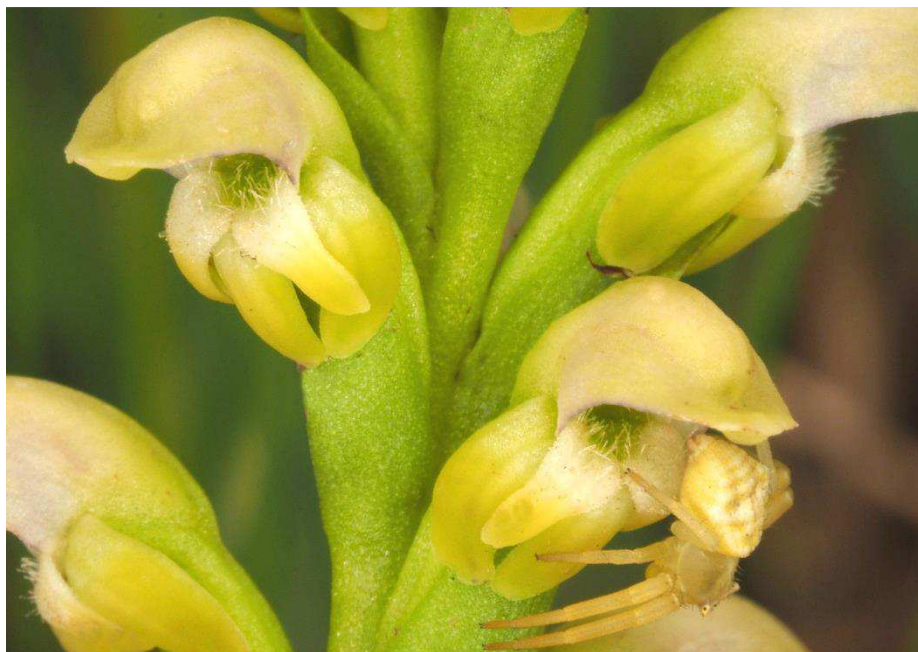

Disa oreophila subsp. *oreophila*

Disa oreophila subsp. *oreophila* (?) und *Schizochilus flexuosus*

Disperis concinna

Neobolusia tysonii und *Satyrium micorrynchum*

Disa tysonii

Disa nivea

Disa nivea

Pterygodium hastatum und *Satyrium ligulatum*

Disa cooperi

Orthochilus foliosus

Eulophia zeyheriana und *Eulophia hians* var. *nutans*

Pterygodium leucanthum und *Eulophia hians* var *inaequalis* (?)

Satyrium hallackii subsp. *ocellatum*

Eulophia tenella und *Stenoglottis fimbriata*

Cyrtorchis arcuata

Disa versicolor

Disa intermedia

Eulophia calanthoides und *Eulophia petersii*

Schizochilus crenulatus

Satyrium longicauda (wenigblütige Sippe)

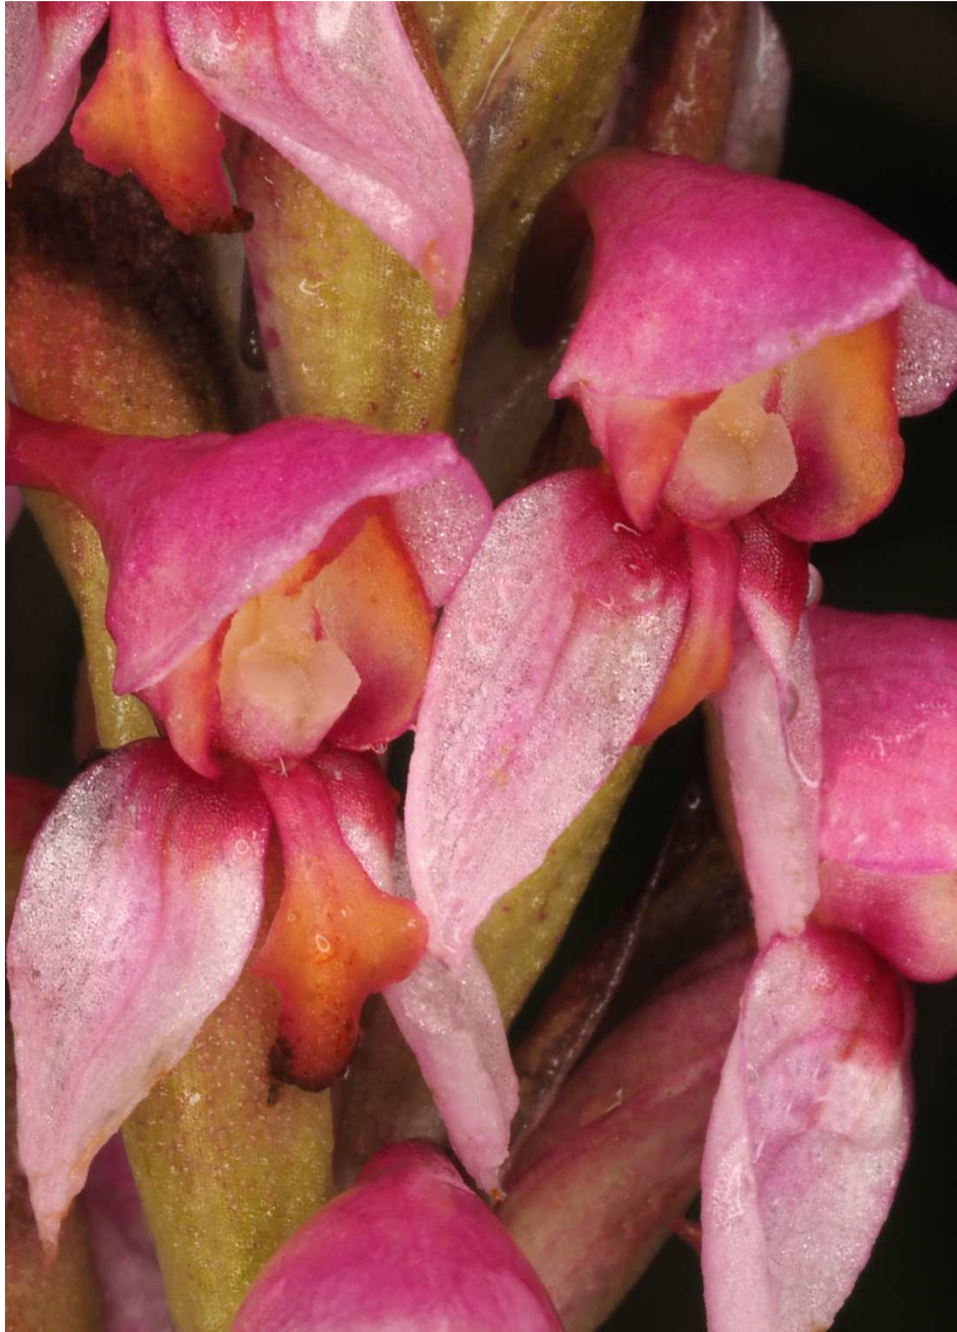

Satyrium trinerve

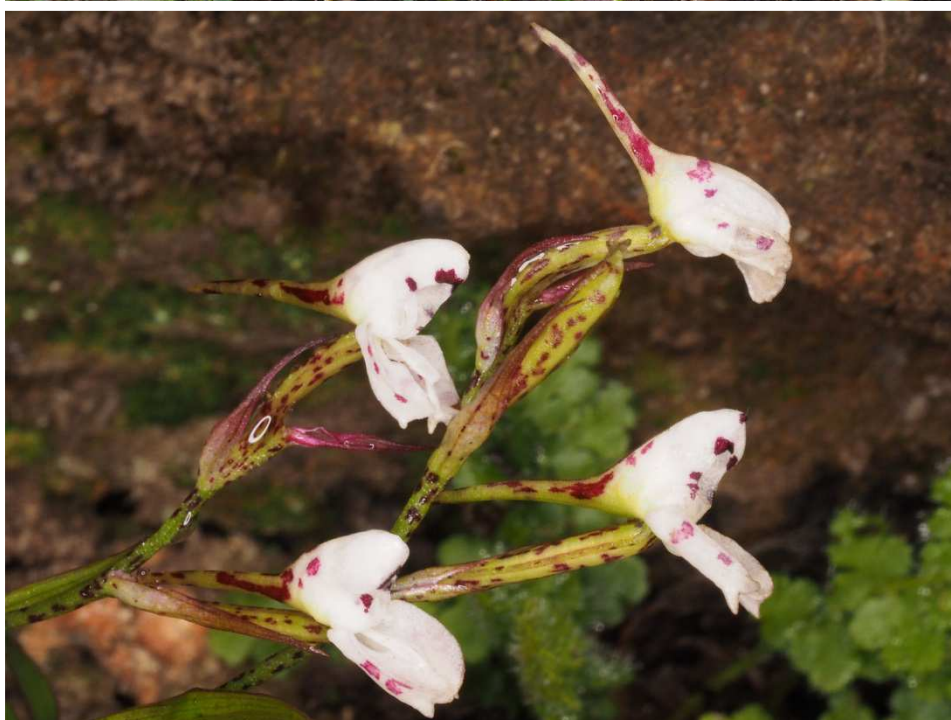

Liparis bowkeri

Disperis fanniniae und *Cynorkis kassneriana*

Disa maculomarroinia

Disa saxicola

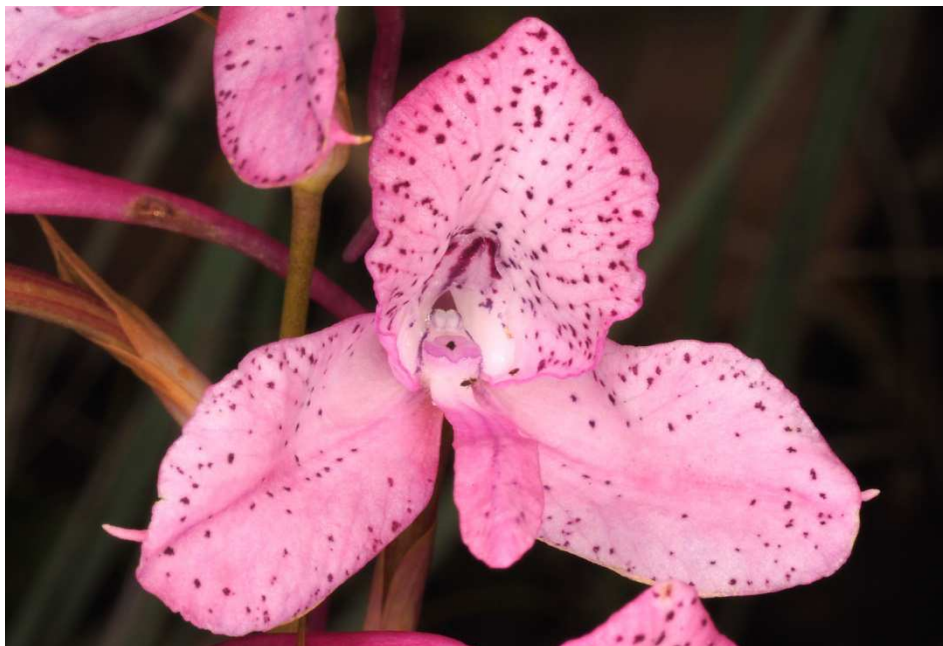

Disa zimbabweensis

Disperis renibracteata

Disa amoena

Disa amoena

Disa stachyoides

Disa rhodantha

Disperis tysonii und *Disa patula* subsp. *patula*

Satyrium cristatum subsp. *longilabiatum*

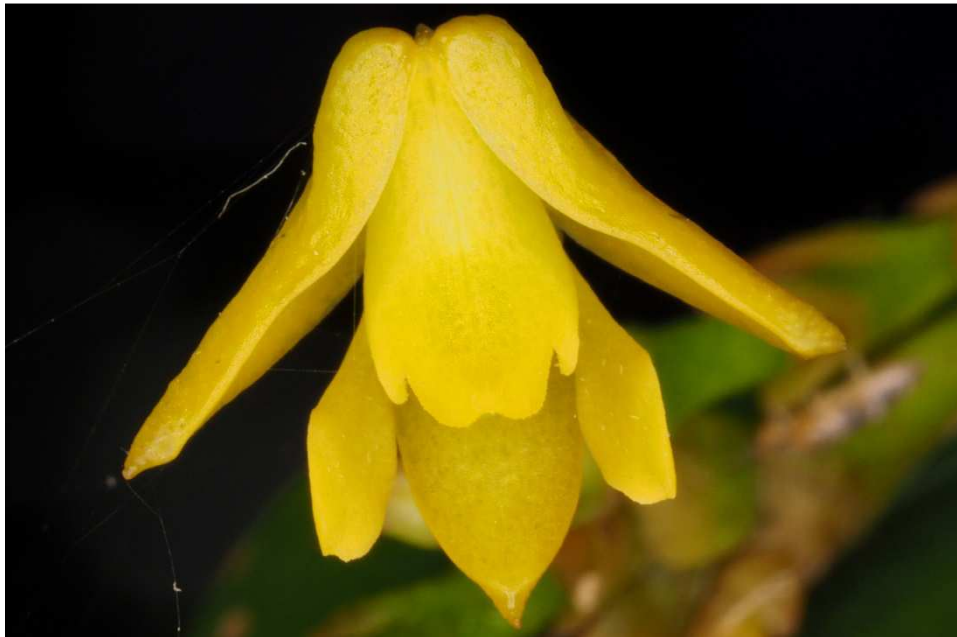

Disa alticola

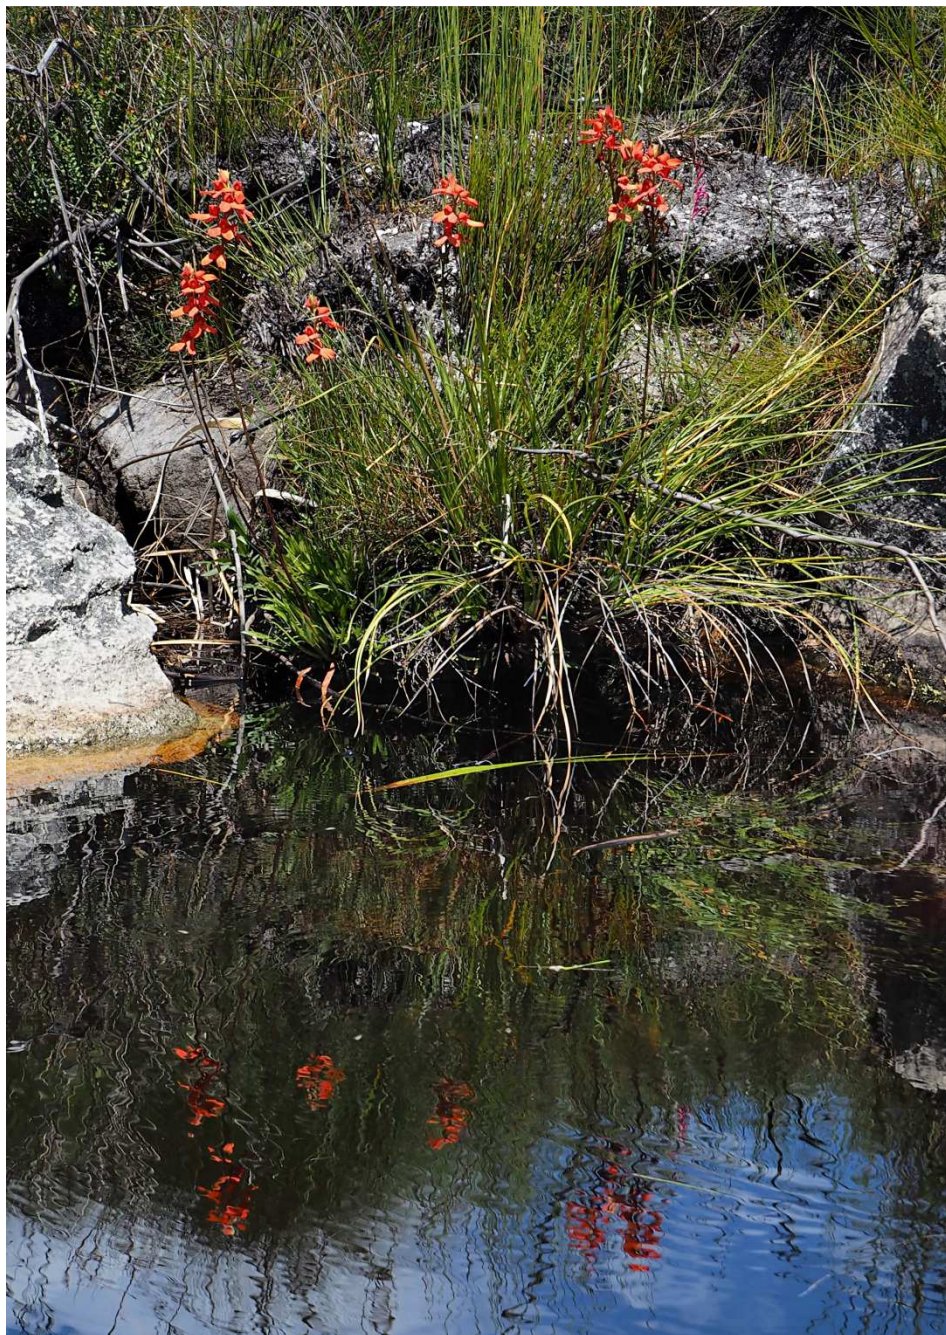

Schizochilus ceciliae subsp. *culveri*

Disa aristida

Eulophia streptopetala und *Polystachya cultriformis*

Disa cardinalis

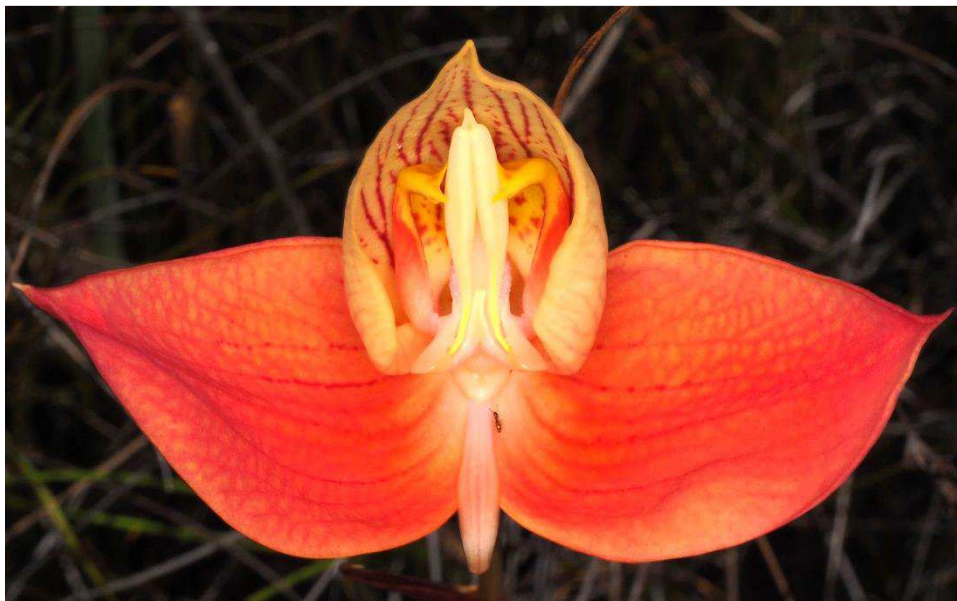

Disa cardinalis

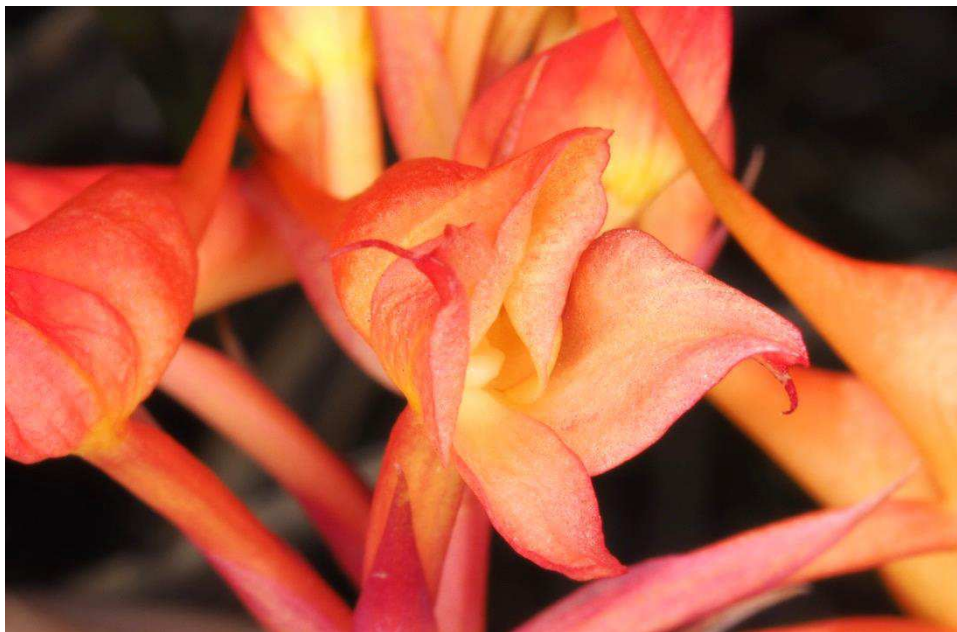

Disa cardinalis und *Angraecum sacciferum*

Leckereien in Hildegard's Disa House

Disa uniflora in den Grootwinterhook Mountains

Disa ferruginea

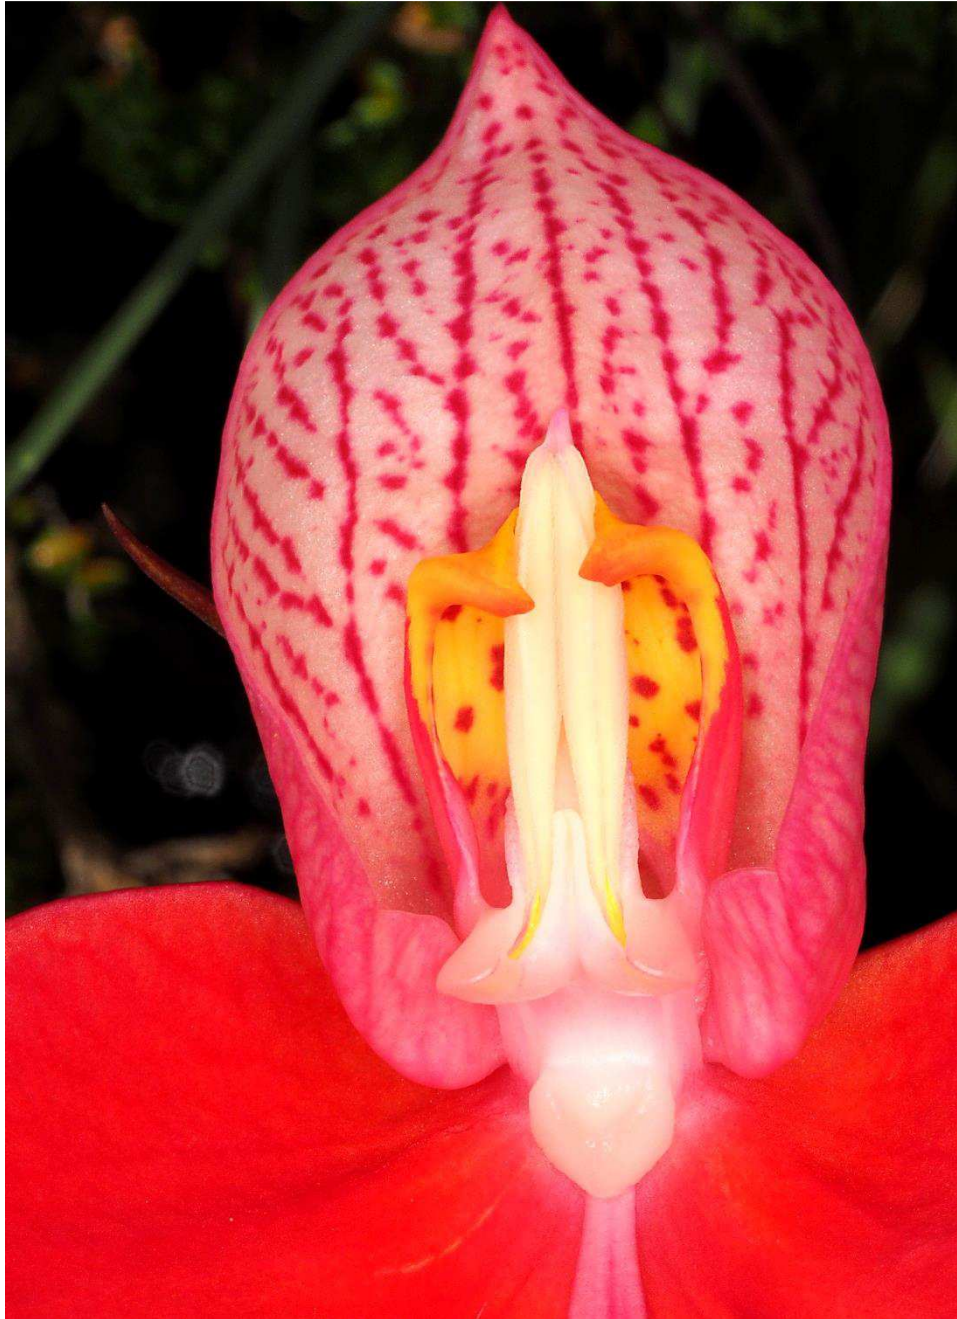

Disa graminifolia

Disa graminifolia und *Disa cornuta*

Pride of Table Mountain: *Disa uniflora*

Disa uniflora
