## Bildtafeln

Ophrys fusca subsp. cinerophila x Ophrys fusca subsp. leucadica "crebberima" (oben)

Ophrys fusca subsp. leucadica "crebberima" x Ophrys fusca subsp. fusca "creticola" (unten)

Orchis anatolica subsp. anatolica x Orchis quadripunctata subsp. quadripunctata

Ophrys bombyliflora

Ophrys bombyliflora lusus flavescens

Orchis papilionacea subsp. alibertis

Orchis papilionacea subsp. alibertis

Ophrys lutea subsp. sicula (oben links) und Ophrys lutea subsp. phryganae (oben rechts) und Hybride (unten)

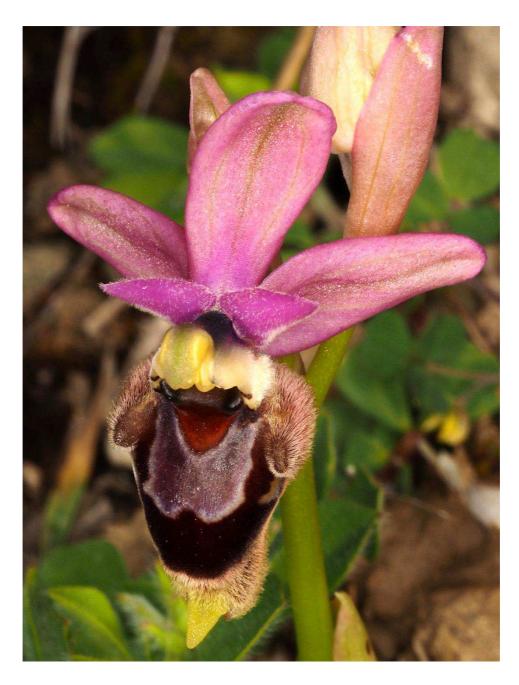

Anacamptis pyramidalis

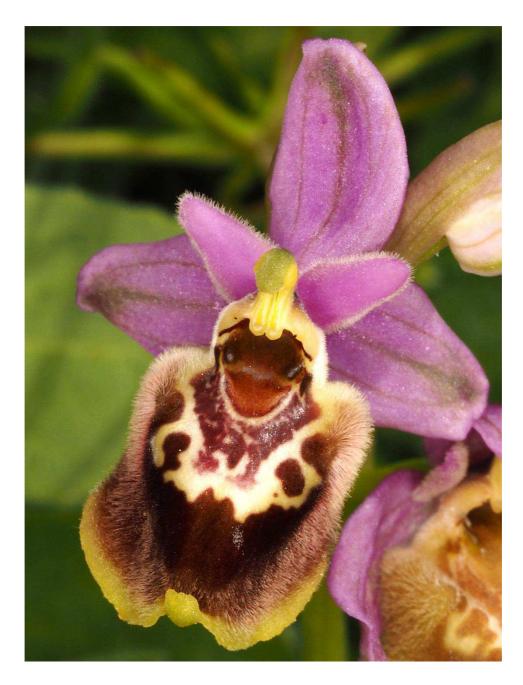

Anacamptis pyramidalis

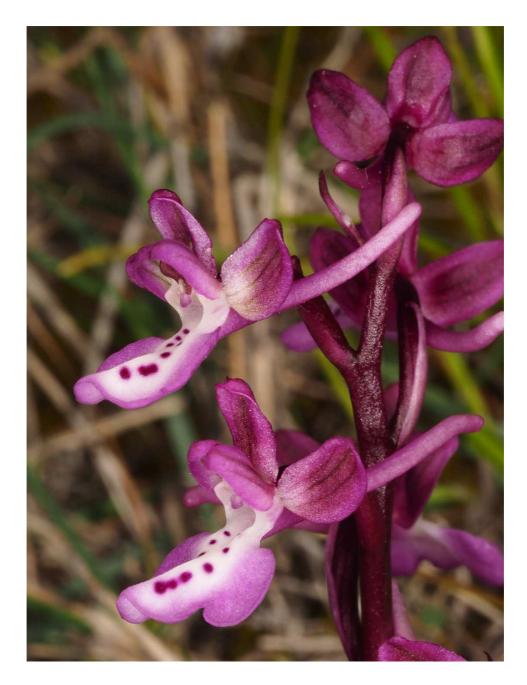

Ophrys heldreichii subsp. heldreichii (oben links), Ophrys "dimidiata-tenthredinifera" (unten rechts) und Hybriden

Ophrys "dimidiata-tenthredinifera" x Ophrys heldreichii subsp. heldreichii

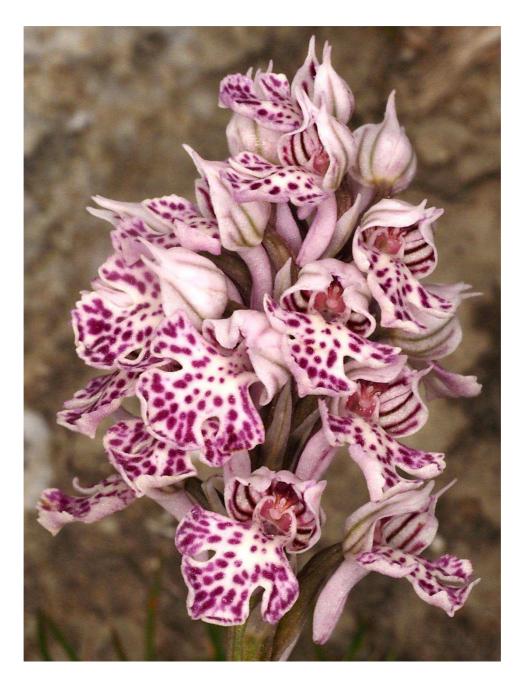

Ophrys "dimidiata-tenthredinifera" x Ophrys holoserica subsp. episcopalis

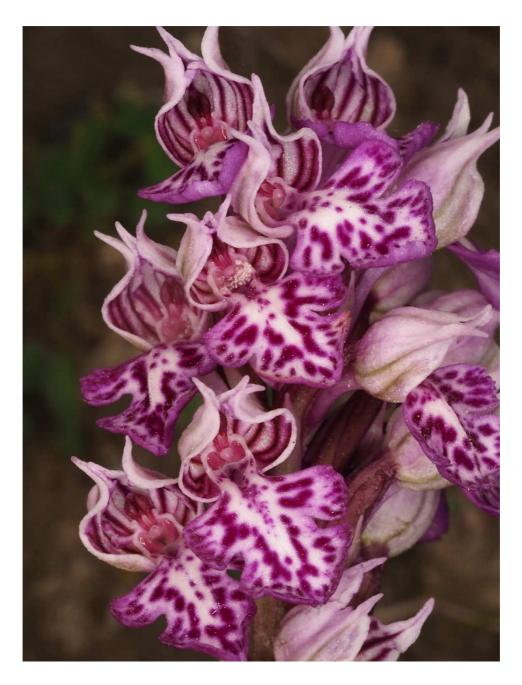

Orchis anatolica subsp. anatolica

Orchis tridentata subsp. angelica

Orchis tridentata subsp. angelica

Orchis tridentata subsp. angelica

Orchis tridentata subsp. angelica

Serapias bergonii subsp. bergonii x Serapias orientalis subsp. orientalis

Serapias bergonii subsp. bergonii x Serapias orientalis subsp. orientalis

Ophrys cretica subsp. ariadnae x Ophrys mammosa subsp. doerfleri

Ophrys mammosa subsp. gortynia (oben), Ophrys mammosa subsp. doerfleri (unten) und Hybride

Ophrys spruneri subsp. grigoriana von Standort K 29

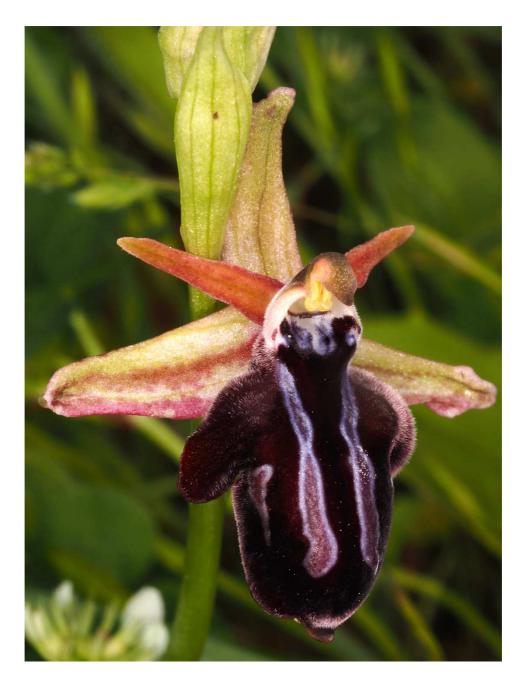

Ophrys mammosa subsp. doerfleri (?) von Standort K 37

Ophrys holoserica subsp. episcopalis x Ophrys heldreichii subsp. heldreichii

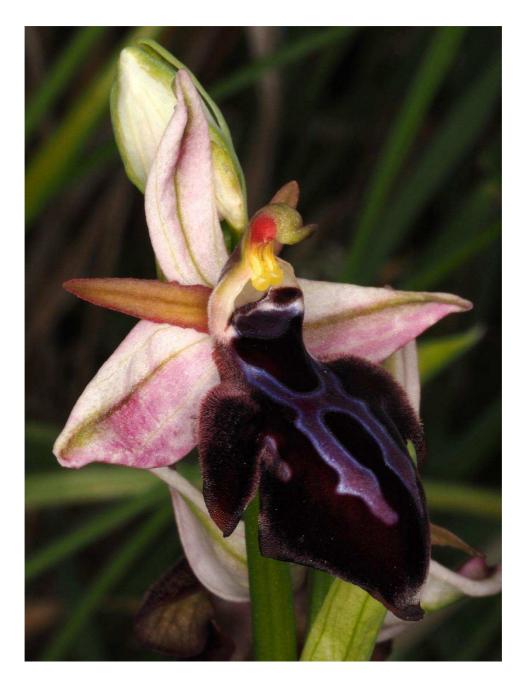

Orchis italica (hypochrom und hyperchrom)

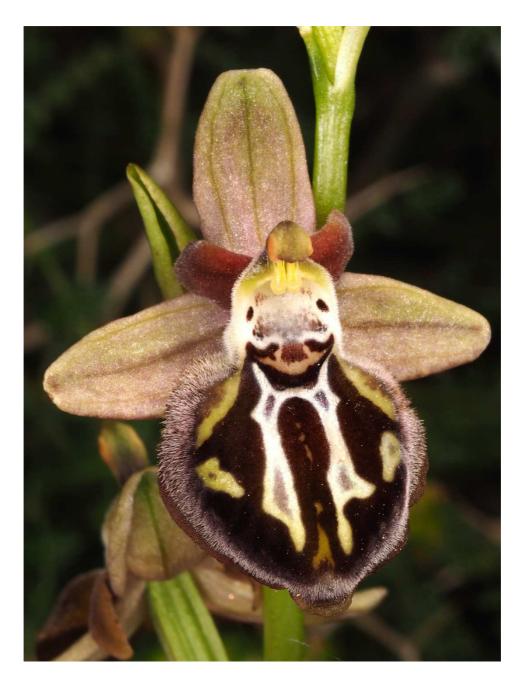

Ophrys spruneri subsp. grigoriana x Ophrys cretica subsp. ariadnae

Ophrys spruneri subsp. grigoriana x Ophrys cretica subsp. ariadnae

Ophrys spruneri subsp. grigoriana x Ophrys cretica subsp. ariadnae

Ophrys cretica subsp. ariadnae-Hybride von Standort K 42

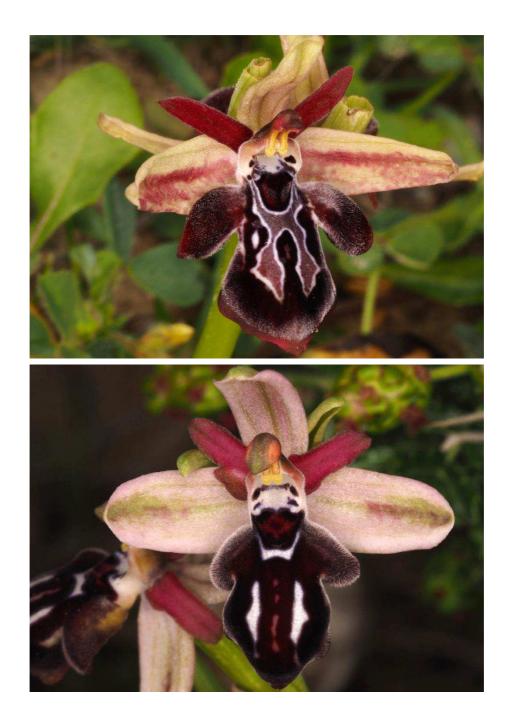

Ophrys heldreichii subsp. heldreichii x Ophrys candica subsp. candica

Ophrys cretica subsp. ariadnae

Ophrys cretica subsp. ariadnae

Ophrys cretica subsp. ariadnae

Ophrys cretica subsp. ariadnae

Ophrys cretica subsp. ariadnae

Orchis boryi x Orchis papilionacea subsp. heroica

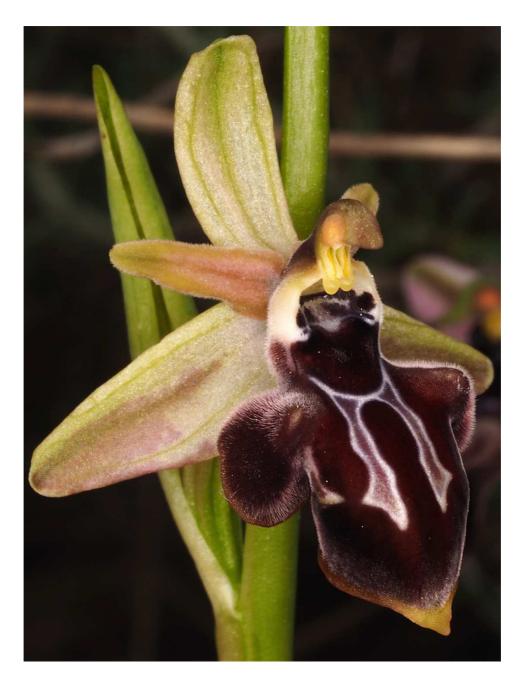

Orchis pauciflora x Orchis anatolica subsp. sitiaca

Ophrys fusca subsp. leucadica "crebberima" (li) und Ophrys fusca subsp. phaidra (re)?

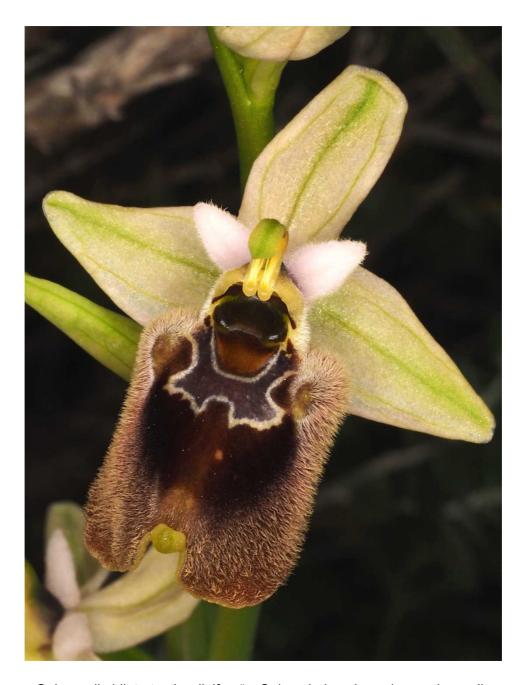

Ophrys sphegodes subsp. cretensis x Ophrys mammosa subsp. doerfleri

Ophrys mammosa subsp. doerfleri x Ophrys cretica subsp. cretica

Barlia robertiana

Ophrys "dimidiata-tenthredinifera" x Ophrys holoserica subsp. episcopalis

Ophrys omegaifera subsp. basilissa

Ophrys omegaifera subsp. basilissa und subsp. omegaifera (unten links)

Aceras anthropophorum

Serapias bergonii subsp. bergonii

Serapias bergonii subsp. bergonii

Serapias bergonii subsp. bergonii

Serapias bergonii subsp. bergonii

Serapias lingua subsp. lingua x Serapias bergonii subsp. bergonii

Ophrys cretica subsp. bicornuta

Ophrys cretica subsp. bicornuta

Orchis boryi (Farbvarianten)

Ophrys bombyliflora (oben), Ophrys cretica subsp. ariadnae (unten) und Hybride

Ophrys bombyliflora x Ophrys cretica subsp. ariadnae

Ophrys bombyliflora x Ophrys cretica subsp. ariadnae

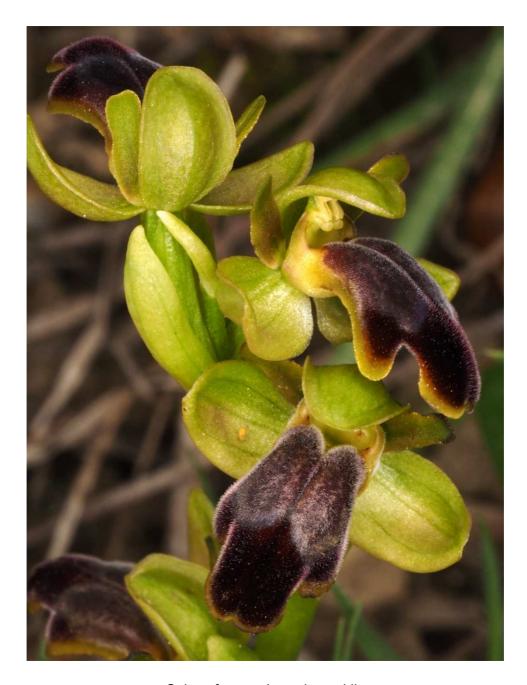

Ophrys bombyliflora x Ophrys cretica subsp. ariadnae

Ophrys fusca subsp. cressa? (Standort K 70)

Ophrys fusca subsp. cinerophila

Ophrys fusca subsp. cinerophila

Orchis collina (spätblühende Sippe)

Orchis collina (spätblühende Sippe)

Ophrys fusca subsp. leucadica "crebberima"

Ophrys fusca subsp. leucadica "crebberima"

Ophrys fusca subsp. leucadica "crebberima"

Ophrys sphegodes subsp. cretensis

Ophrys sphegodes subsp. cretensis

Ophrys bombyliflora (oben), Ophrys heldreichii subsp. heldreichii (unten) und Hybride

Ophrys bombyliflora x Ophrys heldreichii subsp. heldreichii

Ophrys bombyliflora x Ophrys heldreichii subsp. heldreichii

Ophrys bombyliflora x Ophrys heldreichii subsp. heldreichii

Ophrys bombyliflora x Ophrys heldreichii subsp. heldreichii

Ophrys fusca subsp. phaidra?

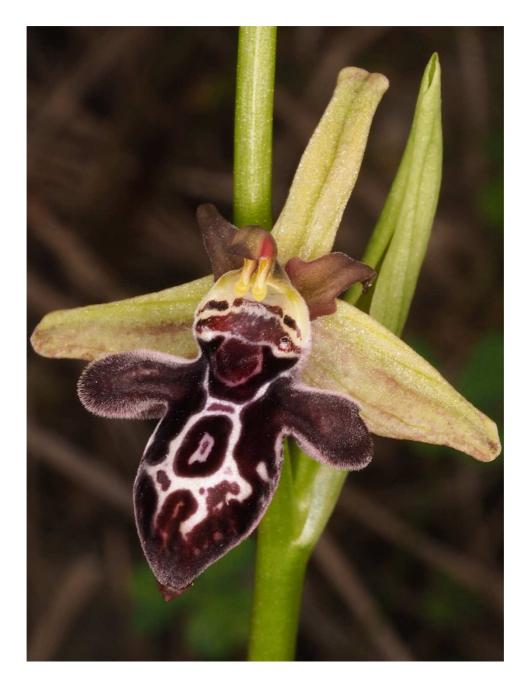

Ophrys fusca subsp. phaidra?

Ophrys fusca subsp. phaidra

Ophrys cretica subsp. cretica

Ophrys cretica subsp. cretica

Ophrys cretica subsp. cretica

Ophrys cretica subsp. cretica

Ophrys cretica subsp. cretica

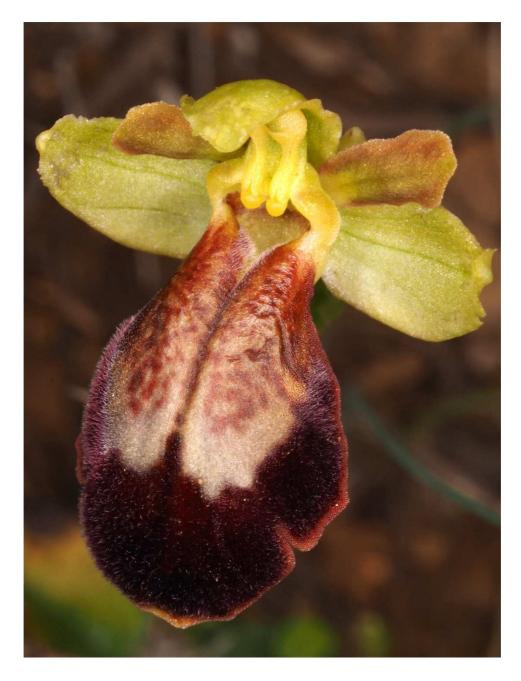

Ophrys cretica subsp. cretica

Ophrys bombyliflora (oben), Ophrys "dimidiata-tenthredinifera" (unten) und Hybride

Ophrys bombyliflora x Ophrys "dimidiata-tenthredinifera"

Ophrys fusca subsp. fusca "creticola"

Ophrys fusca subsp. fusca "creticola"

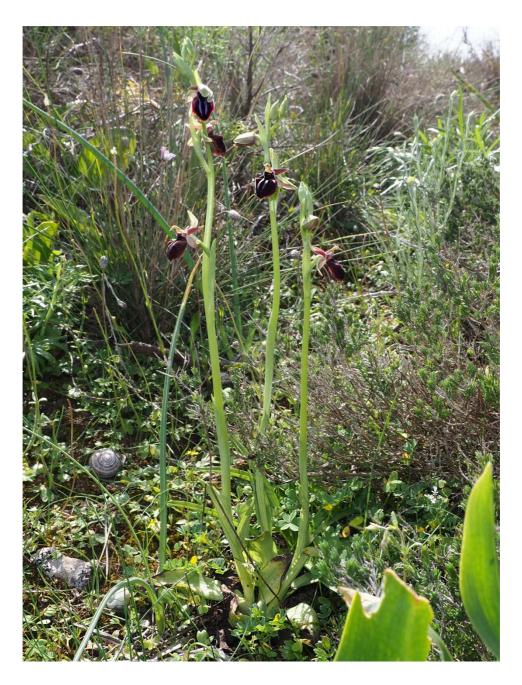

Orchis boryi x Orchis palustris subsp. laxiflora?

Orchis boryi x Orchis palustris subsp. laxiflora?

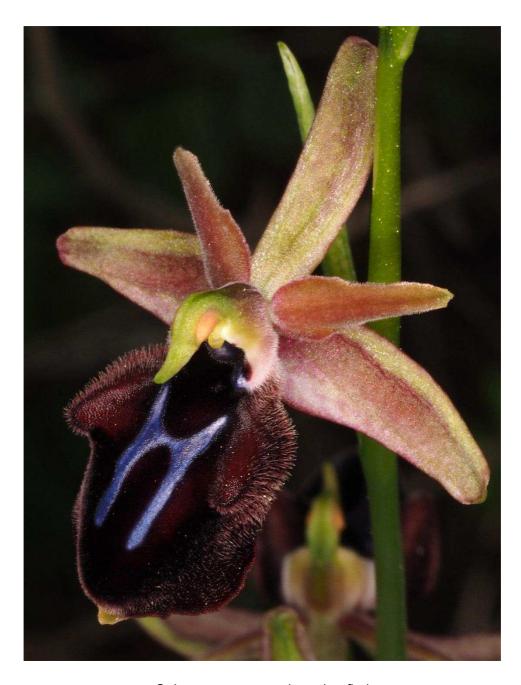

Orchis boryi x Orchis palustris subsp. laxiflora?

Ophrys mammosa subsp. doerfleri

Ophrys mammosa subsp. doerfleri

Ophrys mammosa subsp. doerfleri

Ophrys mammosa subsp. doerfleri

Orchis lactea subsp. lactea (rechts) und Hybride mit Orchis tridentata subsp. angelica

Orchis lactea subsp. lactea x Orchis tridentata subsp. angelica

Ophrys mammosa subsp. doerfleri ohne Höcker (Standort K 31)

Orchis simia subsp. simia

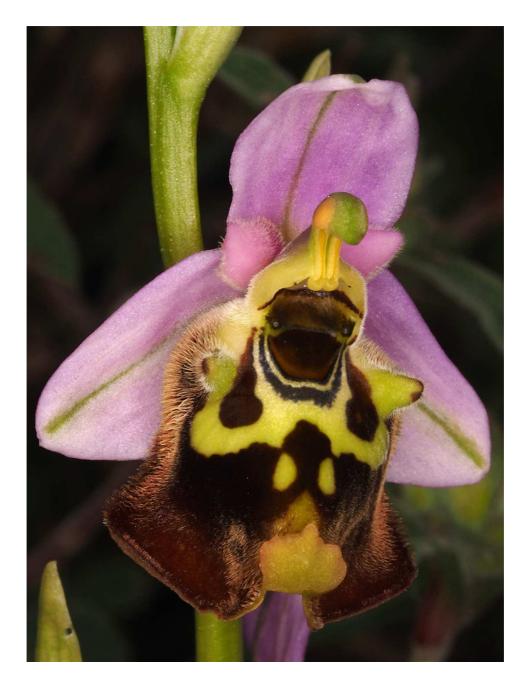

Orchis simia subsp. simia

Orchis simia subsp. simia (oben mit Orchis italica, rechts)

Ophrys holoserica subsp. episcopalis

Ophrys holoserica subsp. episcopalis

Ophrys holoserica subsp. episcopalis

Orchis lactea subsp. lactea

Orchis lactea subsp. lactea

Orchis lactea subsp. lactea

Orchis lactea subsp. lactea

Orchis lactea subsp. lactea

Ophrys spruneri subsp. grigoriana

Ophrys spruneri subsp. grigoriana

Ophrys spruneri subsp. grigoriana

Orchis anatolica subsp. sitiaca

Orchis anatolica subsp. sitiaca

Orchis anatolica subsp. sitiaca

Ophrys heldreichii subsp. heldreichii

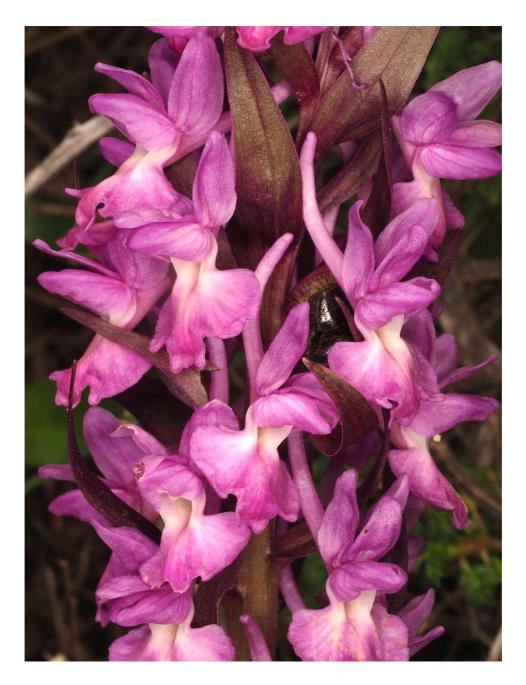

Ophrys heldreichii subsp. heldreichii

Ophrys heldreichii subsp. heldreichii

Dactylorhiza romana subsp. romana

Dactylorhiza romana subsp. romana

Dactylorhiza romana subsp. romana

Ophrys sphegodes subsp. herae (mit Orchis italica und Orchis simia)

Ophrys sphegodes subsp. herae

Ophrys sphegodes subsp. herae

Ophrys sphegodes subsp. herae

Orchis provincialis x Orchis anatolica subsp. sitiaca

Orchis provincialis x Orchis anatolica subsp. sitiaca

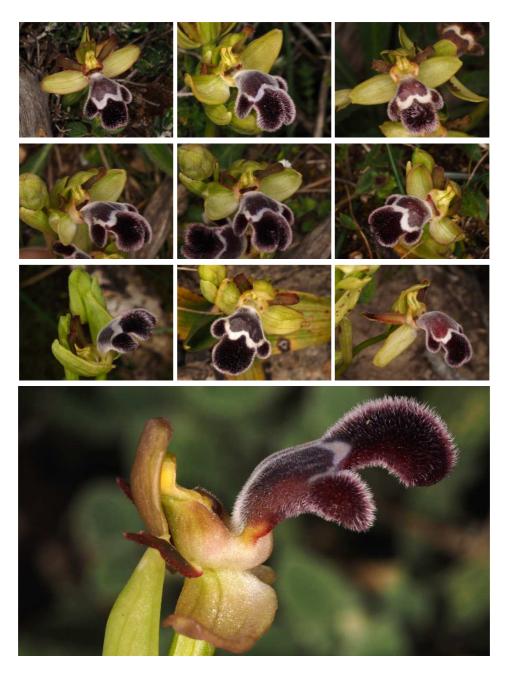

Ophrys omegaifera subsp. fleischmannii

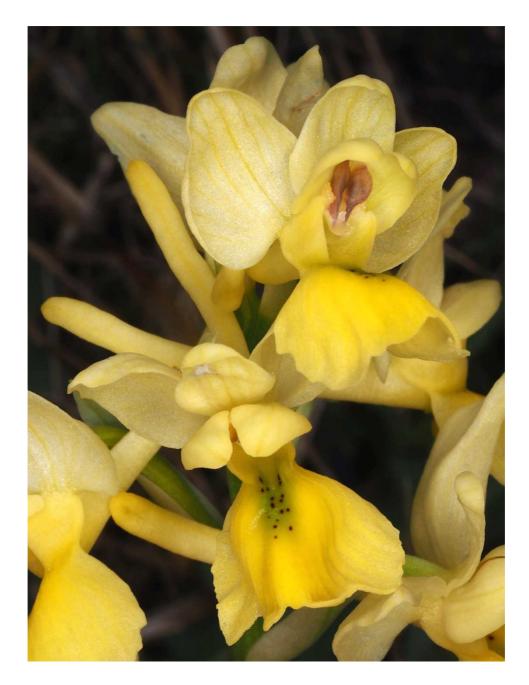

Ophrys omegaifera subsp. fleischmannii

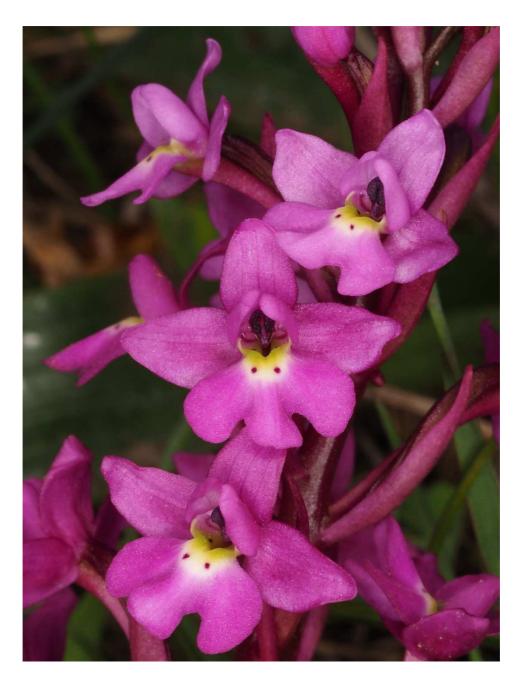

Ophrys omegaifera subsp. fleischmannii

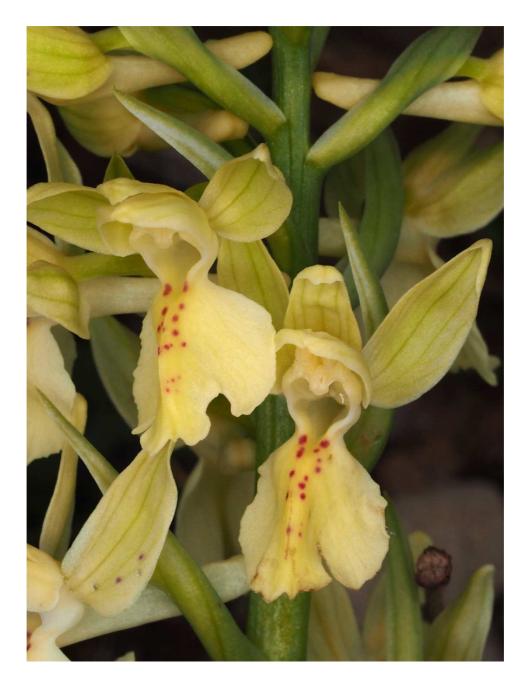

Orchis pauciflora

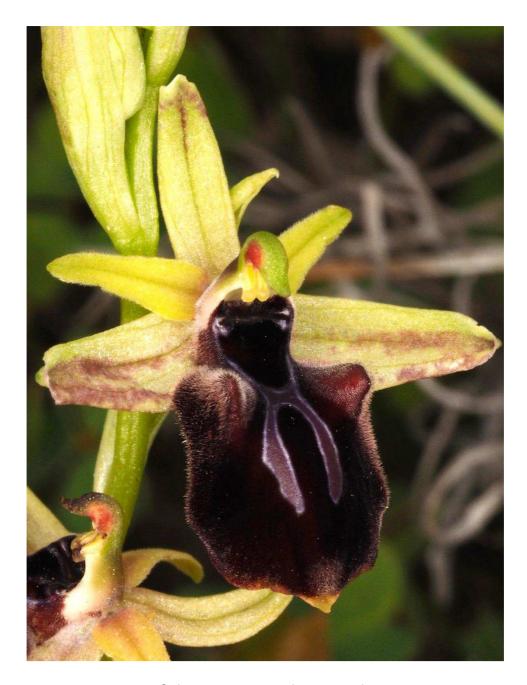

Orchis pauciflora

Orchis quadripunctata subsp. quadripunctata

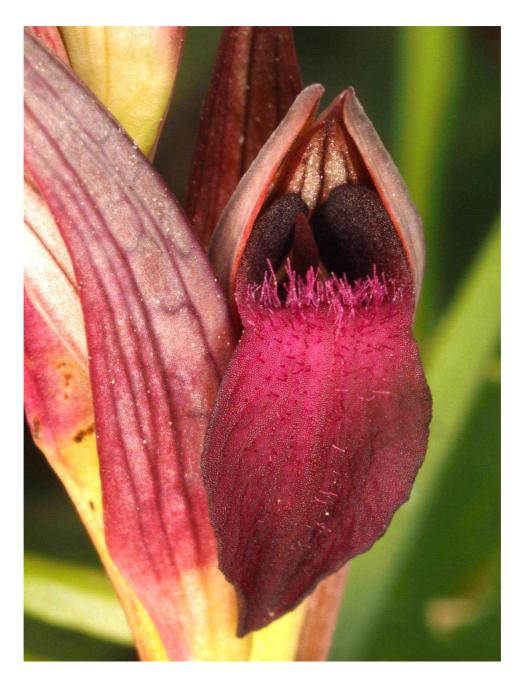

Orchis provincialis

Ophrys mammosa subsp. gortynia

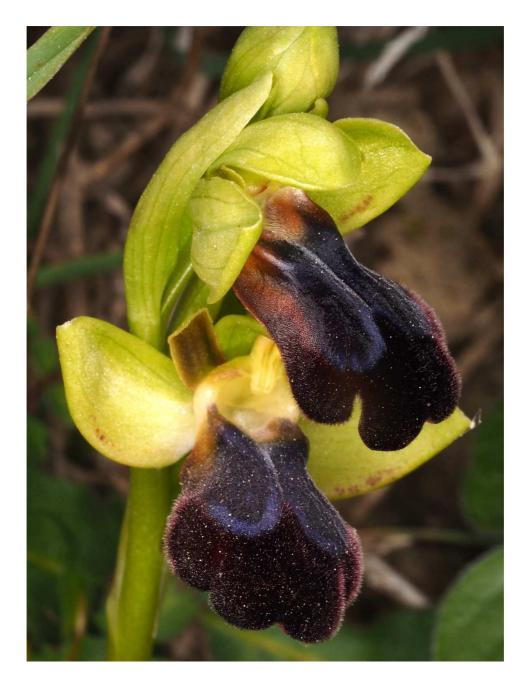

Ophrys mammosa subsp. gortynia

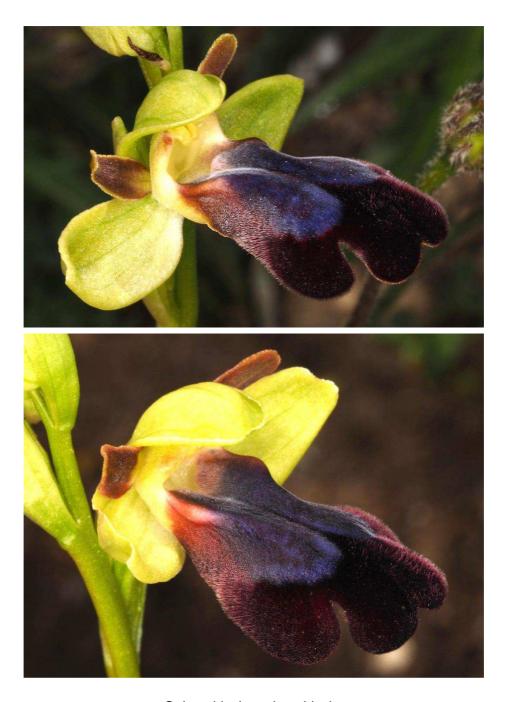

Serapias lingua subsp. lingua am Standort K 69

Serapias lingua subsp. lingua am Standort K 69

Ophrys iricolor subsp. iricolor

Ophrys iricolor subsp. iricolor

Orchis papilionacea subsp. heroica

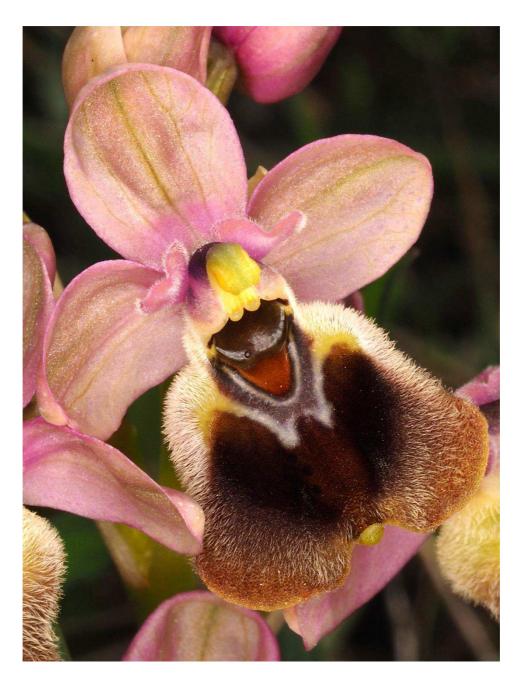

Orchis papilionacea subsp. heroica
